

Amanda Poole, Anda Designs

Amanda Poole, Interior Designer and owner of Anda Designs in Kennesaw, believes that your home should be a reflection of your personality and a comfortable place for your family to reside. “I want to design spaces to reflect the individual,” says Poole, Allied ASID and a graduate of The Art Institute of Atlanta. “I believe the home should reflect who lives there and the design will work for them. Your home needs to work for you. If you’re not happy with the way your interior space looks, you won’t be a happy person. I believe if the space makes you comfortable, then you will live comfortably too.”

As a member of the NKBA and the National Trust for Historic Preservation, Anda Designs offers its clients an impressive array of services, including traditional design services, color consultation, space planning, home staging, repurposing furnishings, accessorizing, drapery and bedding design, floral design, custom framing and photo preservation. In addition, Anda offers commercial and hospitality design, is versed in sustainability and environmental “green living” as well as universal and ADA design, and offers CAD design/drawings.

For more information on Anda Designs and how they can create your home, one design at a time, visit www.andadesigns.com or call (678) 773-3888.
